Appreciation for Successful Development and Delivery of Critical Components

Dear Mahesh ji,

I am writing to extend our heartfelt appreciation to M/s My infinity Solutions Pvt Ltd for the exceptional dedication and expertise demonstrated in the successful development and timely delivery of critical components vital to our operations.

Your recent achievements in producing the following components have significantly contributed to our mission-critical capabilities:

- a. Salt Spacers for MRP Mines
- b. Soluble Pellets for PBG, PBGM MK-1 & MIGM Mines
- c. Launcher Cap Set and its Consumables for Kalvari Class Submarine flare basket

The dedication and expertise of your team have not only met but exceeded our expectations, showcasing M/s My Solutions Pvt Ltd's commitment to excellence and reliability in defense manufacturing.

We look forward to continuing our successful partnership and exploring future opportunities to collaborate on advancing our mutual goals.

Thank you once again for your outstanding performance and unwavering support.

*Warm regards,
Omkar*
